

Maxatec Cash Drawers

A range of secure, high quality, and reliable cash drawers for point of sale operations.

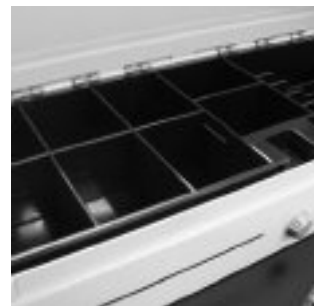

The Maxatec range of cash drawers is available in the conventional 13" and 16" sizes, as well as an 18" flip top drawer.

The cash drawers are durable and constructed from steel, and are available with standard EPOS colour finishes. This range of cash drawers offers superb value for money to the user. Backed by Maxatec's 35 years experience in the IT hardware marketplace, this is a flexible range with models and options suitable for any retail or hospitality application.

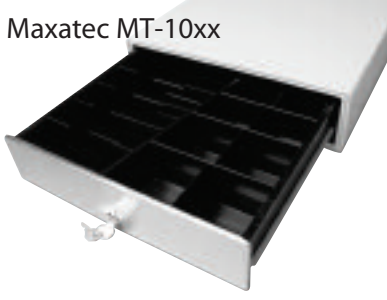

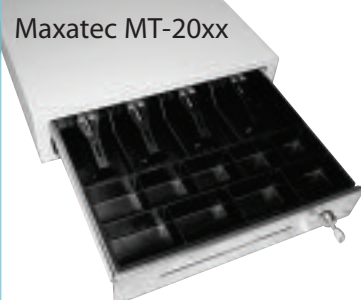

Some of the key features include:-

- Durable steel construction
- Reliable solenoid (24v/1A or 0.7A)
- Durable coating - standard EPOS colours
- 3 position key lock (locked, electrically opened, manually opened)
- Choice of coin and note compartments
- Mounting brackets
- Optional connectors with any pin out configuration
